Thank you for emailing me your comments on the draft UIC Dewey-Burdock permitting actions. I have added your email to the list of public comments received. I have also added you to my contact list to keep you informed on future EPA actions related to the site.

Here is the link to the EPA UIC program website that contains all the information in the Administrative Record, in case you do not already have it:  
<https://www.epa.gov/uic/administrative-record-dewey-burdock-class-iii-and-class-v-injection-well-draft-area-permits>

The public comment period is in effect through May 19, 2017, in case you have any additional comments after reviewing this information.

Thank you!  
Valois

Dear Ms. Shea,

I am writing to urge you to deny the exemption for the uranium mining project. The cost of this project to human health vastly outweighs the benefits; there are too many possibilities for error and too many risks associated with the waste injection methods for this to move forward. Please protect our environment and deny the exemption- please prioritize our children's health over profit.

Thank you for your time,
